Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

Title/Subject: Service Directory – Scoping and Engagement
Serial No: MPCC286
Summary: In order for a partnership to appropriately inform evidence-based commissioning, we must understand the full range of services that are commissioned. As such, the West Yorkshire Violence Reduction Unit would like to commission an engagement partner to understand whether a directory that provides accurate and contemporary coverage of the services commissioned by the Combined Authority and our partner organisations, is required. If deemed useful and usable, we can then look to begin development of a Service Directory.
Requested Decision: Our recommendation is to approve our proposal for the West Yorkshire Reduction Unit to fund this piece of engagement and scoping work for £25,000. Decision: Approved

Decision: Approval required as indicated for each individual project
