Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

Title/Subject: Violence Reduction Unit – Street Games 2021-22
Serial No: MPCC033
Summary: In November 2020, the West Yorkshire VRU Knowledge Hub produced and circulated a Youth Engagement Survey to schools across West Yorkshire. Of the 1073 participants canvassed by the survey, the majority of young people (43%) cited sports as something they would be interested in doing once COVID restrictions are lifted. The VRU funded Street Games to deliver an interactive Map of local sport and physical activity providers and 2x half day knowledge transfer sessions to build understanding of insight, evidence, and approach at the end of 2020-21 funding. The WYVRU would like to continue to fund Street Games during 2021-22 to embed and better connect the VRU with the sport and physical activity sector and to evaluate the impact that sport and physical activity can play in violence reduction and promoting desistance.
Requested Decision: That the Mayor approves funding of £17,570 for Street Games to deliver their project work with the WYVRU until the 31 st March 2022.
