Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

Title/Subject: VRU Education Dashboard
Serial No: MPCC056
Summary: The Home Office are keen to see VRUs maximising opportunities for sharing relevant data between partners to improve the local understanding of violence and the risk and protective factors which can lead to violence and or exploitation. Funding was set aside by the VRU to develop our data sharing arrangements across the partnership, with education data highlighted by the VRU Knowledge Hub as an influential source to enhance not only our understanding of violence and its drivers and inform decision making, but also that of partner agencies.
Requested Decision: That the Deputy Mayor for Police and Crime approves funding of up to £65,000 for the Violence Reduction Unit to enter into a contract with Crest to deliver this work with us. This would amount to £25,000 this financial year and up to £40,000 the following year (phase 2 £25,000, phase 3 £15,000)
