

West Yorkshire Combined Authority

Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

Title/Subject: Serious Violence Fund – West Yorkshire Adversity, Trauma and Resilience Programme
Serial No: MPCC051
<p>Summary: In collaboration with partners from all sectors the WY VRU Violence Reduction Unit and the West Yorkshire Health and Care Partnership share a common commitment to prevent harm and improve the wellbeing of our population, with a particular concern for those who are most vulnerable and face increasing adversity.</p> <p>Proposal: Develop and implement with the Health and Care Partnership the following:</p> <p>Part A: West Yorkshire Adversity Trauma and Resilience (WYATR) Training Collaborative The ATR Training Collaborative will ensure a workforce that is therapeutic, skilled, confident, trauma informed and responsive, where every interaction matters. staff will be trained to ask in a routine or targeted way about adverse and traumatic experiences as part of an appropriate assessment process.</p> <p>The Collaborative will develop and coproduce training at different levels, with organisations and people with lived experience. Training will focus on the prevalence and pervasive impact of different types of trauma and multiple disadvantage, including but not limited to; cyber trauma, impact of C-19, racism, hate crime, physical and emotional abuse, neglect, witnessing domestic abuse, rough sleeping, alcohol and substance use.</p> <p>Part B: Adversity Trauma and Resilience Navigators addressing Violence reduction/reducing vulnerability caused by adversity, trauma, and multiple deprivation in A&E and Primary Care WYHCP and WYVRU plan to implement Adversity Trauma and Resilience Multi-Disciplinary teams (ATR MDTs) in A&E and Primary Care Networks to identify and address causes of vulnerability through connections between health, local authority and partners, to embed early intervention and prevention.</p>
<p>Requested Decision: The Mayor approves the proposal for the West Yorkshire VRU to provide £200,000 funding to be transferred to West Yorkshire Health and Care Partnership's Improving Population Health Programme. £100,000 for the development and delivery of the WY Adversity Trauma and Resilience Training Collaborative and £100,000 match funding for the WY Adversity Trauma and Resilience Navigators in A&E and Primary Care.</p>
