Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

Title/Subject: Community Safety Partnership (CSP) - Additional Resource to Deliver Against the Serious Violence Duty
Serial No: MPCC080
Summary: During early 2019 the Government undertook consultation on a proposal Public Health Duty for tackling serious violence, with the subsequent response published during July of the same year. This intention was confirmed as part of the Queen's Speech on 19 December 2019 outlining this duty would be brought forward for public sector bodies to address serious violence as part of the Police, Crime, Sentencing and Courts Bill. The VRU would like to provide each CSP £10,000 of additional resource to help support preparation work and build on the findings of the consultant in order to deliver against the Serious Violence Duty.
Requested Decision: That the Strategic Director / Head of Policing & Crime approves funding from the Violence Reduction Unit of £10,000 for each of the 5 Community Safety Partnerships (total £50,000) for additional resource to deliver against the findings from the recent consultancy support to deliver against the new Serious Violence Duty as part of the imminent Police, Crime, Sentencing and Courts Bill.
