1. INTRODUCTION

- 1.1. This part of Standing Orders exists for the following main reasons:
 - 1.1.1. To protect the Authority, its Directors and other Officers involved in the award of contracts;
 - 1.1.2. To demonstrate that the Authority is obtaining value for money in the award of contracts;
 - 1.1.3. To provide the means of securing competition in the award of contracts;
 - 1.1.4. To prevent corruption, or allegations of corruption, in the award of contracts; and
 - 1.1.5. To ensure compliance with legislation and regulations.
- 1.2. In this part of Standing Orders these definitions shall apply:
 - 1.2.1. “the Director” or “a Director” means the Director to whom the relevant functions have been delegated within the Scheme of Officers’ Delegations of the WYCA.
 - 1.2.2. “budget holder” and “budget controller” have the meanings set out in the Financial Regulations of the WYCA.
 - 1.2.3. “Authority” means the WYCA.

2. COMPLIANCE WITH STANDING ORDERS AND EU LEGISLATION

- 2.1. Every contract made by or on behalf of the Authority and all procedures relating thereto shall comply with these Standing Orders and Financial Regulations and no exception from any of the provisions of these Standing Orders and the Financial Regulations shall be made otherwise than in accordance with the paragraph 4.2 of the Procedure Standing Orders (Suspending and Amending Standing Orders).
- 2.2. Any subsidiary company of the Authority shall be required to adopt the provisions of Part 1 of these Standing Orders insofar as they are not inconsistent with, or in conflict with, any provisions of the Companies Act and regulations made thereunder or the Articles of Association of that Company.
- 2.3. No contract for goods services or an interest in property shall be granted to any employee of the Authority or any close relative of theirs without the written approval of two directors.

- 2.4. All relationships of a business or private nature with external contractors, or potential contractors, must be made known to the appropriate manager in accordance with the Officers' Code of Conduct. Orders and contracts must be awarded on merit, by fair competition against other tenders, and no special favour should be shown to businesses run by, for example, friends, partners or relatives.
- 2.5. Officers who engage or supervise contracts must declare any interest or relationship in accordance with the procedures set out under the Officers' Code of Conduct.
- 2.6. All Officers must be prepared to justify to the Authority their actions and those of their staff in relation to the invitation of tenders and the placing of work and should take all necessary precautions to safeguard the Authority, its staff and themselves against allegations that any person has been unduly favoured without proper cause.
- 2.7. It shall be a guiding principle, when any Director or Officer is making a determination under this part of Standing Orders, that in making such determination they have regard to the need to demonstrate that the Authority will obtain value for money and that reasonable steps are taken to ensure that no supplier or potential supplier is treated unfairly in the selection process and that a written record of each determination and the reasons for making it is kept on a file maintained by the Director or Officer for that purpose or on Proactis.

EUROPEAN UNION LEGISLATION

- 2.8. These Standing Orders shall be subject to any procedures that may apply pursuant to the Public Contracts Regulations 2006 and by reason of the United Kingdom's membership of the European Union ("EU") and if any conflict with Standing Orders arises, the former shall prevail.
- 2.9. A contract, or series of contracts, the aggregate amount or value of which exceed the financial thresholds set in EU Directives, shall be let only in accordance with the requirements of those Directives. The Purchasing Officer shall notify all Directors and Assistant Directors of any changes in the financial thresholds.

NB Financial thresholds set by EU Directives are reviewed every two years and as from 1 January 2014 they are:

- **Public Works - £4,322,012**
- **Services - £172,514**
- **Supplies - £172,514**

- 2.10. Contracts must not be artificially divided to bring them below the relevant threshold.

- 2.11. Within 14 days of the commencement of each financial year, Budget Holders shall notify the Purchasing Officer of contracts to be let in the course of the financial year of which they are aware and which it is anticipated will fall within paragraph 2.9 above to enable consideration to be given to the insertion of a Prior Information Notice in the Official Journal of the EU ("OJEU").
- 2.12. Where a framework is in place tenders must be sought and evaluated, if necessary via mini-competitions, in accordance with regulations and the Purchasing Manual

3. SEALING OF DOCUMENTS
